

Glen Eden Intermediate School

2020 Stationery Requirements

Dear Parents/Caregivers,

Please find below your child's requirements for stationery for 2020.

Whilst you are free to shop where ever suits you, we are part of the **Support Your School™ Programme with Warehouse Stationery**. This rebate scheme will help our school raise vital funds to purchase new resources for our children, at no extra cost to you. All parents and members of the public can nominate our school at one of 66 nationwide stores, or you can enter our **unique code** **BYS260F** while shopping online. Warehouse Stationery offer online shopping and delivery, and a click & collect option. The school shop will have stock available for top ups throughout the year, at very competitive prices. Should you already have some of the items on the list you do not need to purchase these.

We hope this system will facilitate a smooth and speedy start to 2020 for your child and the school. Please ensure that your child's belongings are clearly named.

Thank you.

Classroom Teacher: Asher Fitzpatrick

Room: 3

(6 Devices) \$48.40 per year (Pay online)

B.Y.O.D Chromebooks & Online Safety

It is highly recommended that students at G.E.I.S bring a **Chromebook** to school everyday for learning.

Chromebook Set-Up

It's really important that you **set up your Chromebook correctly** for your child so that you are the administrator/owner of your child's Chromebook. (This will help keep your child safe online 24/7 no matter what wifi they are using - as the schools safe filtering and safe search settings will automatically apply.)

- No child should have a personal email until they are 13 years old.
- [Please visit the school website for instructions on how to do this.](http://www.bit.ly/geischromebooks2020) (or the website www.bit.ly/geischromebooks2020).

Mobile Zone - 3G/4G Online Safety

Our goal is to protect every student from online harm while still allowing them to take advantage of the incredible possibilities the Internet has opened up. That's why we've partnered with Family Zone, New Zealand's leading provider of cyber safety and digital-awareness tools and services.

Are you concerned about any of the following?

- Social Media Content/Harmful exposure?
- Screen time - switching off/balance/family time?
- Sleep - kids online during the night?
- Gaming - addiction
- Accidental exposure to inappropriate/harmful content?

Free 'Insights' Account

The School will work with **Family Zone** to create a private **Mobile Zone** account for every family. Parents will have FREE access to a Mobile Zone's "Insights" account (which when activated will give parents visibility over which sites and apps your children are using).

www.familyzone.com/geis-school-nz

Mobile Zone Upgrade

Parents can then choose to upgrade and purchase a **Family Zone Pack**, which will give parents parental filtering/safe search, visibility and control over your child's internet access/apps on their Chromebook, tablet & cell phones while using the internet at home or when out and about (e.g at a friends house or if you want the internet off for them during bed time!)

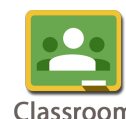

Costs

- **Insights Visibility Access: Free**
- **Mobile Zone Package Cost: \$48.40 for 6 licences that cover any 6 x devices or mobile phones.** (per annum)

For more information and how to sign up for insights or mobile zone, please visit:

www.familyzone.com/geis-school-nz

Students: Please join the following online groups using your G.E.I.S email and the apps/websites.
